

dominion · decision sheet — part 1 of 2

Every semantic decision, rendered as it would appear if accepted. Dark left edge = your call; the rest are settled from evidence. Part 1: D-01 ... D-11.

D-01

actions

AUTHORED

your call

Primary = solid FIP-red square, white label; secondary = 2px black outline; tertiary = underlined text. One primary per view.

Retire item

Cancel

Read details

D-02

shape

OBSERVED

Zero radius anywhere; no shadows; structure via 2px black rules and 1px pewter hairlines.

2px structural rule

1px pewter hairline

D-03

typography

OBSERVED

One family, weights as roles: Light = quiet formal; Regular = default; Medium = headings/key labels (web role); Bold = signage-style emphasis, rare.

Light — formal accents

Regular — the working voice

Medium — headings & key labels

Bold — signage emphasis (rare)

D-04

typography

AUTHORED

your call

Screen rhythm: title 32/400 · section headings 20/500 · body 16/1.6 · metadata 13 grey; bilingual pairings render at equal size and weight.

Page title 24 at sheet scale

Section heading

Body text — plain, generous, readable.

D-05

colour

AUTHORED

your call

FIP red strictly for ceremony (masthead accent, the single primary action, identity zones); black = text/structure; white = ground; pewter = de-emphasis. Status/errors never colour-coded.

FIP red · ceremony

Black · structure

White · ground

Pewter · de-emphasis

Safety red · signage only

D-06

surfaces

AUTHORED

your call

White ground; #F4F4F4 grey band for section separation; 2px black rules as structural events; no elevation anywhere.

Grey band separation

Ruled event

D-07

hierarchy

OBSERVED

Task-first order; short plain titles; structure over decoration; the most important information first.

What do you need to do?

1. Register the item 2. Write the borrower's name 3. Set the return date

D-08

navigation

AUTHORED

your call

Masthead: white, black bottom rule, identity zone left (red accent bar + title, generic placeholder); nav regular, active = medium+underline; footer bottom-right reserved zone.

Tool register

ItemsActivity

Footer: bottom-right zone reserved for the system's wordmark placeholder.

D-09

bilingual

AUTHORED

your call

Primary titles and key labels render bilingually: EN | FR side-by-side with thin divider; over-under when narrow. Body stays one language.

SIDE BY SIDE

D-10

status

AUTHORED

your call

Status = words, never colour: plain label (available), grey band (on loan), 2px black left rule + bold (overdue). Structure carries emphasis.

Available

On loan — S. Ho

Overdue — due back 3 days ago

Fields: square, 1.5px black border, label above (medium caps); focus = border thickens + 1px offset outer line; error = left rule + plain sentence under.

BORROWER

S. Ho

| That name isn't on the member list. Check the spelling, or add the member first.

dominion · decision sheet — part 2 of 2

Part 2: D-12 ... D-22.

D-12

selection

AUTHORED

your call

Small fixed sets (≤ 12) = native select squared like a field; larger selection out of scope, platform fallback, marked.

LOAN DAYS

7 days

▼

D-13

feedback

AUTHORED

your call

Notices = ruled boxes (2px black top rule, grey ground), plain sentences: what happened + what happens next. No toasts.

Two loans are due this week. The borrowers have been contacted. Nothing needs your attention yet.

D-14

destructive

AUTHORED

your call

Destructive confirm in a square dialog: 2px black frame, consequence sentence, confirm = solid black square with the verb; never pre-focused.

Retire "Cordless drill 18V"?

It will be removed from the register and cannot be restored. Loan records remain intact.

Retire item

Cancel

D-15

progress

AUTHORED

your call

Meter = square track (#F4F4F4 + hairline) with black fill and plain readout; restart = outline square. Motion stays gated.

7 of 10 steps · reconciling loan dates...

Restart import

D-16

empty

AUTHORED

your call

Empty state = plain ruled statement + one action; no imagery (imagery absence is a system property).

Nothing is registered yet. Add the first item to begin the register.

Add an item

D-17

repeated content

AUTHORED

your call

Ledger = ruled register: 2px black header rule, 1px pewter row hairlines, no zebra; hover = grey band; status labels inline.

ITEM	STATUS	
Torque wrench 200Nm	Available	—
Cordless drill 18V	On loan	S. Ho

D-18

overlays

AUTHORED

your call

Dialog vessel: square white sheet, 2px black frame, black scrim 55%, instant; no motion.

Square sheet · scrim 55% · instant

D-19

voice

OBSERVED

Plain, non-bureaucratic, task-first; gender-inclusive by default; no jargon, no sloganising; French rendered with equal care.

"Send the form. We'll reply within two business days."

Not: "Kindly be advised that submissions will be processed..."

D-20
